

Topper's Mountain

WINE OF NEW ENGLAND, AUSTRALIA

2014 Topper's Mountain Bricolage Blanc

Our story

Topper's Mountain is named after brothers Edward & William Topper who were employees of George Jnr & Alwyn Wyndham (sons of George Wyndham & founder of Wyndham Estate) in the 1870s. At this time George Jnr & Alwyn were the owners of "New Valley Station" which included the present day "Topper's Mountain". The vineyard was established between 1998 & 2002 by the current owners Mark and Stephanie Kirkby and family.

Our vineyard

We are located near Tingha in northern NSW on the western edge of the New England Tablelands (part of the Great Dividing Range) high above the MacIntyre River. Topper's Mountain is a 10ha vineyard situated at an altitude of 900m on beautiful free draining deep, aged red basalt soils called Krasnozems, a degraded volcanic soil high in iron content.

Tasting notes

An interesting blend of Chardonnay (64%), Gewurztraminer (21%), Viognier (12%) and Sauvignon Blanc (2%) showing a mouth-watering array of papaya, rose petal, jasmine and lemon sorbet aromas. Vibrant flavours of nectarine and Turkish Delight with a soft textural mouthfeel balanced by seamless acidity.

| | |
|--------------------|---------------------------------|
| Alcohol: | 12.9% |
