Tasting Notes:

A classic Vidal Icewine with notes of lychee, pineapple, nectarine and fresh-cut citrus. These notes are followed by an acidic backbone to create a harmonious balance.

Food Pairing:

Serve at 12°C. Try it drizzled over vanilla bean ice cream with peach slices or with a piece of orange dark chocolate.

Growing Season and Harvest:

The frozen Vidal grapes were harvested mid-December when temperatures fell between -10 and -13. After settling the juice in stainless steel tanks, cool fermentation was completed in mid-February when the wine was placed outdoors to stop fermentation and complete a natural cold stabilization.
