

## 2020 SAUVIGNON BLANC

### WINEMAKER'S YADA-YADA

2020 was a tough year for many but the positive side is that it was a remarkable vintage for winemaking in Ontario. It was a hot, dry growing season that produced surprisingly clean, balanced, and beautiful fruit. All varieties maintained a nice level of acidity with concentration of flavours and great structure. Fresh and vibrant whites and rosés and reds built to last.

### WHAT TO EXPECT

Juicy grapefruit and mango are highlighted by fresh spring pea pods on the nose. More grapefruit, honey crisp apple, and fennel on the palate. Dry, crisp and refreshing with zesty lime. Fantastic intensity and length.

### ON THE TABLE WITH

Goat cheese crostini, fresh summer salads, grilled asparagus, oysters, ceviche, white fish with herbs and lemon, fish tacos.
