Description: Laser focussed, this friendly and flirtatious Cabernet Franc gets right to heart of the matter. Raspberry, cassis and violets dance in unison while the fruity black pepper core drives you straight to a center of convergence. This wine knows who it is and it is ready to welcome you into its world. Still, no quarter is given as the defined fragrances sit proudly atop the narrow pins of acidity wrapped within the firm, but not rigid structure of tannins. The 2015 Cabernet Franc has your back!
