**Description:** You've met this wine before. When the 2010 Cabernet Franc Reserve was born it was the cutest "baby" you ever saw. As it grew and matured it was quiet, well behaved and beautiful. Then the teenage years hit and it rebelled and gave nothing but misery. Happily, this period was not to last. As time passed, the storms within the wine subsided and the true soul emerged. All the growing pains were forgotten and the wine revealed its inner greatness of rich concentrated fruit, minerality and firm but silky tannins. This is a wine that was forged in flames of adolescence and it is better for it.
