

## 2017 Pinot Rosé (Sustainable) Marlborough New Zealand

### Harvest & Winemaker's notes:

Black Cottage Rosé was inspired by David's long stint working in Corsica and the South of France crafting fresh, crisp, dry, salmon pink rosé. From a difficult growing season with continued cloud cover in summer and persistent rain during harvest, we escaped lightly, producing wines with good acidity and flavour. Treated very much as a white wine in the cellar, this wine had the added benefit of 8 weeks on light yeast lees, increasing the texture and mineral notes.

### Winemakers:

David Clouston & Sanna Stander

### Tasting notes:

An attractive, fresh and stylish New Zealand Rosé full of heirloom rose petals, cranberry and peach aromas. Elegant and well-balanced, this wine shows undertones of raspberry, nectarine and salinity notes which lead to a dry, silky finish. A great match with seafood, especially crayfish and as an aperitif.

SOILS	Clay loam
ALCOHOL	12.5%
T.A	6.1
RS	4.3
BRUX	21 - 21.5
PH	3.24
HARVEST DATES	2 April
